

To Our Purple Moose Families,

The Moose Has no Home...

After 39 amazing years of serving Crystal Lake and surrounding communities, The Moose is having to say goodbye at the end of this school year, June 2024.

Purple Moose Enrichment Preschool has been notified by its current space provider that they will no longer extend our space sharing contract after this school year. We have exhausted every option that would make sense for our current families with no stone left unturned. We now leave it in the hands of faith. We will, of course, continue to investigate any opinions that may arise.

It has been an astonishing journey for myself as the third perpetrator of The Moose. We thank you for the honor and privilege to be a part of your child's learning and enrichment journey these past years. Our staff gave 110% to making sure that the future of our community had the very best start and I am so proud of them.

With registration season approaching, we want to give ample notice to allow our families to find alternatives. If anything changes with Purple Moose, we will keep you informed.

For the remainder of the school year, please know that we will continue to love and care for our Mooselets.

Our door is always open for your questions, ideas, and concerns.

I have been blessed beyond words to have made memories and connections I would have never been afforded in any other role.

See you in the pick-up line,

Miss Anna
