There are many uncertainties going into this school year. This calendar may be revamped and updated throughout the school year if the safety environment and mandates change. When and if larger gatherings will come back to being, we will reconvene them at the school as well.

Purple Moose Enrichment Preschool follows the guidelines and standards for emergency school closing based on District 47 set forth. Since this year the in-person attendance is not yet clear, we will notify our families on Facebook and Remini app of school closing due to weather and/or other elements.
