**9:00—11:30am**

### **NATURE ALL AROUND**

This summer, join us for a magical journey as we transform our preschool into a vibrant garden! Children will explore the wonders of nature, learn about plants and animals, and engage in fun, hands-on activities. We will enjoy delightful stories, songs and dances about gardens, bugs, and nature.

We will start our school garden

### **CAMPING OUT WITH BUGS**

Campers will learn and discover this theme through various learning centers providing hands-on opportunities to imagine, experiment, and discover all the different insects and bugs and their fascinating habitats. Throughout the month we will bring in the theme of camping through variety of foods and outdoor experiences.

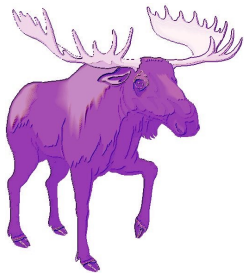

### **IMAGINATION RESCUE**

Let the Superhero and your imagination loose in this fun filled month of hands on fun, interactive play and learning. Pretend play will be offered in a many different areas such as crafts, dramatic paly, outside play and stories.

### **OVERVIEW**

In the summer months your child can continue their enriching experiences with us at Purple Moose Enrichment Preschool. Campers ages 3-6 are welcome to join us during the month of June, July and August. Our 2 year old campers are welcome in the month of August. The camp program offers many hands-on learning adventures through thematic units. Our themes include a well-rounded curriculum that allows the young child opportunities to expand knowledge of their natural world, reasoning, problem solving skills, enriching language and vocabulary. Creativity is inspired through open-ended art and music experiences. Of course this wouldn't be summer camp if we didn't spend plenty of time outdoors...playing.
