Orientation will be held on August 29th and 30th. You will receive a postcard by the second week of August with the time.

The purpose of orientation is to allow your child, in your company, to meet his/her teacher and several other classmates, explore the classroom, and learn what to expect the first day of school.

The following is a school supplies list for the upcoming year:

Please be sure to note that some supplies are only needed for some classes.

This year we will make a conscious effort to take the children outside daily. We want to incorporate season changes and outdoors into the kids learning environment. Here are the things we ask that you have ready for school. Please make sure each item is marked with your child's name. We strongly suggest you have a set of these to bring at school daily:

*Rain coat, Rain boots, gloves, hat,
and weather appropriate jackets*
