OVERVIEW

In the summer months your child can continue their enriching experiences with us at Purple Moose Enrichment Preschool. Campers ages 2-6 are welcome to join us during the month of June, July and August. Camp offers many hands-on learning adventures through thematic units. Our themes include a well-rounded curriculum that allows the young child opportunities to expand knowledge of their natural world, reasoning, problem solving skills, enriching language and vocabulary. Creativity is inspired through open-ended art and music experiences. Of course this wouldn't be summer camp if we didn't spend plenty of time outdoors...playing
We are going to be providing snack for all the campers—so moms and dads get extra rest too.
