### PURPLE MOOSE ENRICHMENT PRESCHOOL SCHOOL START INFORMATION

Orientation will be held on August 27<sup>th</sup> and 28<sup>th</sup>, you will receive a postcard by the second week of August with the time and date

The purpose of orientation is to allow your child, in your company, to meet his/her teacher and several other classmates, explore the classroom, and learn what to expect the first day of school.

The following is a school supplies list for the upcoming year:

**Large Backpack.** Please be sure the bags are full size to hold all the crafts and information we send home with the kids.

**A full set of change of clothing (please update as the seasons change)**

**Individual headshot picture of child**

1 paper towel

Watercolor Paints

1 liquid hand soap

Plastic Pocket Folder (labeled w/child's name)

(1") 3 ring Binder

50 Sheet Protectors, please place sheets  
in the binder

All classrooms need these and  
will be used for Portfolios for  
each child

1 can of Lysol Disinfectant Spray

**Please note, with limited storage in our new building we may ask for some supplies mid school year.**

This year we will make a conscious effort to take the children outside daily. We want to incorporate season changes and outdoors into the children's learning environment. Here are the things we ask that you have ready for school. Please make sure each item is marked with your child's name. We strongly suggest you have a set of these to bring at school daily:

*Raincoat, Rain boots, gloves, hat,  
and weather appropriate jackets*

**\*\*\*A 4"x6" picture of family for our family tree\*\*\***

**Tuition is due at Orientation**

Please see Class Selection page if you have questions on tuition for the upcoming school year.
